

BERRY--BRAMHAM.

Wedding of a Popular Young Couple this Morning.

A Hopkinsville Belle Captured by a Young Blue Grass County Official.

One of the most quiet but elegant society events that has taken place this season in Hopkinsville was the marriage of Mr. Lewis A. Berry, of Versailles, Circuit Clerk of Woodford county, and Miss Fannie Bramham, daughter of Prof. and Mr. Jas. G. Bramham, which took place at the home of the bride on Virginia street, at 8:45 this morning, the ceremony being performed by Elder H. D. Smith, pastor of the Christian church of this city.

The attendants were Robert L. Stout, of Versailles, Master Commissioner of Woodford county, and Miss Lida Belle Donaldson, of this city.

Only a small circle of relatives and near friends were present at the ceremony, after which the couple, attended by friends, were driven to the Louisville & Nashville depot, where they took the 9:35 train for the beautiful Blue Grass home of the groom at Versailles, where they are expected to arrive at seven o'clock this evening.

On Wednesday evening a reception was given to the bridal party at which the following guests were present:

Misses Lida Belle Donaldson, Annie Smithson, Jennie Winfree, Let Fairleigh, Lizzie Gaither, Jimmie Ellis, Mabel Walker, of Versailles; Mrs. E. D. Scroggins, Versailles; Mrs. Gus Brannon, Owensboro; Mrs. H. D. Smith.

Messrs. Robt. Stout, Versailles; Walter Wood, Harry Bryan, Jno. T. Edmunds, Jno. G. Ellis, C. E. Graves, D. W. Kitchen, Rev. H. D. Smith and Dr. Preston Thomas.

Refreshments were served with Misses Jean McKee and Mary Anderson presiding at the frappe tables.

In Memory of a Noble Life.

Our dear friend, Charlie Anderson, departed this life only a few days ago. We miss him greatly from our midst. While we feel sure that Charlie found Heaven's gates of peace ajar, and has been numbered with God's chosen, whom we know are always perfectly happy and free from care and disease, still, we shed tears of deep regret that his gentle voice is hushed, his kind, ministering presence is gone. None knew him but to love and honor him. He was of the truest type of manhood. A kind, affectionate, dutiful son, a devoted husband and father, a staunch friend and a true Christian.

Our deepest sympathy is with his sweet girl wife, his father, mother, sisters and brother who were all so devoted to him.

Remember sorrowing ones, that God so loved the world that he gave His only son that our souls might be saved. Then we should be reconciled to the departure of a loved one, when we know that his soul is with his God who gave it. Let God's will be done and he will give you consolation and peace, for He doeth all things well.

A devoted friend and former teacher, E. W.

CIRCUIT COURT MATTERS.

Large Number of Commonwealth Cases Continued Until the Next Term.

This is the last week of Circuit Court and the remaining two days will be taken up with the trial of suits of but little importance to the general public.

In the suit of Frank Lewis against Lizzie Lewis, a divorce was granted.

In the case of C. B. Rouss, against J. H. Kugler, etc., M. J. Davis, receiver, filed his final report, which was confirmed, receiver was discharged, and the cause was stricken from the docket.

Jas. Phelps, M. W. Davis and J. W. Riley were excused from the service as jurors at this term.

Forty-five Commonwealth cases were continued until the next term of court. Nearly all of them were cases where indictments were found at the present term of court.

On motion of the Commonwealth the indictment against Bill Diuguid for obstructing a public highway, was dismissed.

The indictment against Jim Woosley, charging obstruction of a ditch on the public highway, was similarly disposed of.

Seems as if consumption always picks out the brightest and best. Fully one-sixth of all the deaths that occur in the world are caused by consumption. Many things were once considered impossible. It would be strange if medical science did not make some progress. The telegraph and telephone the phonograph, the electric light—all were once impossible and once impossible to cure consumption. That before the time of Dr. Pierce's Golden Medical Discovery. Taken according to direction, this standard remedy will cure 98 per cent. of all cases of consumption. Consumption is caused and fostered by impurity in the blood. It is cured by purity and richness in the blood—surely, certainly cured by the "Medical Discovery." It builds up solid healthy flesh and vigorous strength. Dr. Pierce's Common Sense Medical Adviser, a 1008 page medical work profusely illustrated, will be sent free on receipt of 21 one cent stamps to cover postage only. Address, World's Dispensary Medical Association, Buffalo, N. Y.
